Maxzone Auto Parts Corp., the U.S. subsidiary of DEPO Group recently moved and expanded its GA distribution hub. The size is from 63,000 square feet to 130,000 square feet. A grand opening celebration and ribbon cutting ceremony for DEPO/Maxzone Auto Parts Corp. was held on October 29th, 2010. DEPO/Maxone hopes to bring the better service and high quality part to local distributor. It will also bring the consumer, body shop another choice of auto parts locally.

The quality and safety is the goal of DEPO / Maxzone's first priority. GA hub is a critical transportation center. It will definitely fully support their market in southern regional to gear toward promoting sales. This will also lead to a win-win situation for both enterprise and Norcross County.
